AUSTRALIA · VIC

Centre for Learning and Innovation

We support individuals, workplaces and teams to enhance their knowledge and skills, to thrive in their work and careers. As an experienced and sector-leading training provider, we understand the unique challenges and needs of community, health, legal and education professionals.

Training workshops

We offer over 20 workshops, available in person or online. Popular workshops include:

- Attending Court and Writing Reports
- Family Dispute Resolution Micro-Skills
- How to Make Your Diverse Workplace More Inclusive
- Managing Challenging Behaviours
- Mental Health First Aid
- Parenting Coordination Course
- The Casual Counsellor
- Transitioning into Leadership
- Understanding Grief
- Vicarious Trauma

Webinar program

Access over 50 professional development webinars, which feature national and international presenters and span family law, family systems, relationship counselling, family violence, mental health, and primary prevention.

Self-paced & free micro-courses

Learn at your own pace with our wide range of online courses. Utilise our free micro-courses to try out a topic before committing to the full learning experience.

Workplace mediation

We act as an independent, impartial third party to facilitate open discussions between employees, supporting them to defuse difficult situations and resolve disagreements.

Customised training

Every workplace has its own unique needs. That's why we offer customised team training solutions specifically designed to align with your organisation's goals and your employees' development. We can tailor programs across a broad range of topics to fit your requirements.

Clinical supervision

Our experienced, qualified team provides individual and group supervision for qualified counsellors, psychologists, social workers, family dispute resolution practitioners, mediators, and professionals in related fields.

Online, in-person and hybrid options.

Meeting the needs of the community, health, legal and education sectors.

Informed by over 75 years' service delivery experience.

Nationally accredited training

Become a qualified practitioner in 2026

Nationally accredited training by
Relationships
AUSTRALIA · VIC

Centre for Learning and Innovation

As a Registered Training Organisation (RTO 21977), we provide higher education and vocational training in the areas of family dispute resolution, mediation, relationship counselling and couples therapy. We offer online, in-person and hybrid-delivery courses.

RTO-accredited courses

Fully arranged and supported placements.

Industry-recognised accreditations and skills.

CHC81015 Graduate Diploma of Relationship Counselling

Enhance your counselling skills to work confidently with people experiencing complex relational issues, including family violence. The course is accredited with Family Safety Victoria in meeting the principles for Family Safety Practitioners, and with the Australian Counselling Association. VET Student Loan-approved.

CHC81115 Graduate Diploma of Family Dispute Resolution (FDR)

Learn the practice of FDR with this interactive, skills and knowledge-based course. Graduates can apply for registration as a qualified FDR practitioner with the Australian Government Attorney-General's Department. VET Student Loan-approved.

Mediation Training Course

CHCSS00142 Mediation Skill Set and Australian Mediator and Dispute Resolution Accreditation Standards (AMDRAS)

Become an accredited mediator with this intensive short course, and gain an entry pathway into the CHC81115 Graduate Diploma of FDR.

Other accredited courses

Facilitated by expert clinicians, practitioners and professionals.

Research and evidence-informed content.

Specialist Course in Integrative Couple Therapy (SCICT)

Gain rigorous knowledge and specialist skills to respond flexibly to couples' individual needs, world views and situations, using an integrative therapeutic approach.

Couples Counselling Course: A contemporary and client-focused approach

Over 12 interactive weeks, immerse yourself in contemporary couples counselling theories and approaches, and transform your work with couples.
