How fees are calculated

Income

Fees are based on individual or joint annual gross (before tax) income, depending on the service. We will discuss fees with you before your first appointment with us.

Charges per session

Sessions are charged based on the time booked, with a minimum charge of one hour. Additional time is charged in half-hour increments.

Cancellation fees

A mandatory cancellation fee equal to 50% of your appointment fee will be charged if you miss, reschedule or cancel your appointment with less than 24 business hours' notice.

Evening appointments

An additional \$10 fee applies to counselling and family dispute resolution appointments starting at 5pm or later.

Drafting of documents

Documents drafted outside of scheduled family dispute resolution sessions may incur an additional fee.

First Nations clients

First Nations clients are not required to pay fees in line with our First Nations Statement of Commitment.

We pay respect to First Nations Peoples of Victoria as the Traditional Owners and Custodians of the lands and waterways. We acknowledge the pain caused by colonisation including disconnection from land, loss of life and freedom, and the forced removal of children.
